

CONTEXT: Your friend is studying at our school. He knows you are a good foreign language student and asks you for some help with his studies. Your English teacher gave you this article and you decided to explain it to him, as you have followed most of the tips provided.

TASK: Read the article and provide him with all the info, using your personal experience. 5 minutes to prepare, 3 minutes to mediate.

Ten habits of successful students

TO BE ASSESSED: Task completion:
Identification and selection of the information
Clarity and efficiency of the message;
Adaptation of the message: intelligibility and register
